Subject: Price Increase Notification- Addendum

Due to continued increases in raw material costs and rising oil prices, Reliance Worldwide Corporation-USA will be implementing a general price increase effective July 1st 2011.

Upon completion of the review new list prices and price books will be provided.

We are committed to pursuing alternative measures to mitigate increasing and volatile material costs. Recent conditions however necessitate a price adjustment.

Thank you for your business and support of our associated brands. It is our enduring dedication to continue to supply you with innovative and competitive products. If you should have additional questions please contact your local representative.
