

Air Purgers and Air Vents

Air Purgers

The Cash Acme Air Purgers are specially designed to eliminate air from systems by entraining air to the top of the unit and venting through the air vent.

The Cash Acme Air Purgers feature a one piece cast iron construction, no service required, internal baffles and are available in a variety of sizes ranging from 1" through 4".

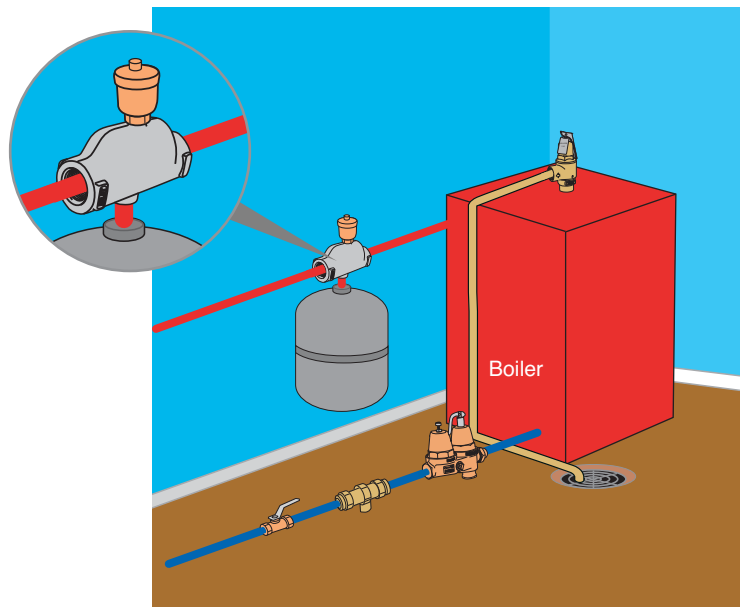

Air Vents

The Cash Acme Air Vents are for use in heating systems to vent air trapped within the circulating water.

The Cash Acme Air Vents are available in 1/8" and 1/4" high capacity sizes.
